**Notice: Use only this route to access the parking facility.**

Take I-90 / I-94 to I-55 North (Stevenson Expressway / Lakeshore Drive) and watch for the large overhead signage (No Trucks / All Trucks). Follow the 'All Trucks' route onto US-41 South. Stay right on the 31st Street ramp and watch for a 180 degree right turn onto the marshalling yard service drive then take a left into the marshalling yard.

There will be an attendant that will take your money (\$16 per day for a semi-truck) and instruct you to park.

**Special Instructions**

This is a large yard that holds approximately 500 large vehicles. You will have access to a driver's lounge. There is a vending area and there are also catering trucks that come by. Taxi service is available.

If you are planning to overnight in Chicago and want to use this parking facility, better call ahead. If the city has an event, such as a Bears game, they will sell this lot out for parking and shuttles.

On a more personal note; I spend a lot of time in Chicago and it seems that there is always something going on in Grant Park (between Michigan Avenue and the lake. It might be wise to call ahead to 312-818-3161 and check for availability.
